

# SCALEXTRIC

The Friends of the School have hired a giant 8-lane mobile Scalextric track which will be built in the 6<sup>th</sup> Form Centre at WBGs on **Saturday 28<sup>th</sup> March with racing from 12-4pm**. Each race consists of 15 laps (approx. 7 minutes) and up to 8 cars can race at any one time. **Cost per person per race is just £2.**

This promises to be really fun afternoon and we are encouraging boys to get themselves together with their friends to book the same time slot and so race against each other. There will be spot prizes awarded for the fastest race as well as the opportunity to win a free session at the fixed Scalextric track in Northwood.

**We are asking that as far as possible races are booked in advance.** This ensures that boys can get the time slot they want and allows us to plan the event better. **Racing time slots can be booked via form tutors with boys paying £2 cash directly to their teacher.**

Racing is open to all – WBGs boys, siblings, friends & family. If you have any questions or wish to book time slots for a group or anyone outside of the school please contact [info@friendsofwbgs.org](mailto:info@friendsofwbgs.org) and we can assist. Please also see the attached flyer.

There will be a tuck shop with hot & cold refreshments for sale, and additional races can be booked on the day, subject to availability.

**Sponsor a Car!** We are also inviting local businesses to “sponsor” a car for the afternoon. For just £40 the car can be personalised with your company logo and this will run in all races for the entire afternoon. Your company name will be mentioned in all our event publicity and on the Friends website, and you can provide flyers to have available on the day. This is a great way to get visibility to school students and their families outside of normal school hours, and to further support the school. If you are interested in this opportunity please email [info@friendsofwbgs.org](mailto:info@friendsofwbgs.org)

This new event promises to be lots of fun, as well as a valuable fundraiser for the school, but as always the Friends of School are reliant on your support. Please do encourage your son to sign-up with his friends in advance and come along on Saturday 28<sup>th</sup> March, anytime from 12-4pm.
